

LEARN TO BECOME AN ON-CAMERA PRESENTER

This workshop is all about preparing to see if you have the passion and determination to learn how to become an 'On-Camera' presenter. So before you invest in a full-time degree as a journalist, try this one day workshop.

Some of the benefits... imagine travelling the world, meeting intriguing people, seeing amazing places – and getting paid for it! Sounds like a dream job! It comes as no surprise that the most common question I am asked is:

"Can you help me become a presenter?"

But be warned... **THE COMPETITION IS TOUGH.**

You will be coached on

The correct use of your voice to gain attention

- Breathing techniques
- Voice modulation
- Pace, Pitch, Pause and Tone

What to wear.

The importance of hair and makeup.

The camera stuff

You will present a *Piece-to-Camera* (PTC) on

- a destination of your choice
- an 'on-location' shoot (outdoors)
- a 'What's on' in your local area

It's not only TV news presenters that have the luxury of reading from an autocue, you will be coached on how to read from an autocue effectively and more importantly, naturally.
